PRO-POINTER® AT

Z-Lynk

All Terrain Pinpointer

Fully waterproof to 20 feet (6 meters)*

- **One-Press Syncing** to Garrett Z-Lynk wireless receivers.
- **Wireless Convenience:** Hear both detector and pinpointer alarms in your headphones, even in noisy environments (beach, high winds, congested urban areas, organized hunts).
- **Fast Retune:** Quick button-press instantly tunes out environment or narrows your detection field for precise pinpointing of larger targets.
- **Single-button operation** for Power, Retune, Sensitivity adjustment, and Silent Mode (vibration only).
- **Lost Pro-Pointer Alarm:** After 5 minutes with no button presses, the pinpointer emits periodic warning chirps.

- **Automatic power off** after one hour of warning chirps; saves batteries.
- **Patented proportional audio/vibration**
- **Patented scraping blade** for searching soil.
- **Lanyard attachment loop** allows *Pro-Pointer AT* to be attached to your belt, digging pouch or metal detector.
- **LED flashlight** for low light searches.
- **Woven belt holster, 9-volt battery included**
- **Ruler in inches and centimeters** molded into side of pinpointer to judge target depth.

* Radio signals do not transmit through water, so when hunting fully submerged, you must rely upon the *Pro-Pointer's* vibration and audio alerts without the benefit of headphones.
